

Pioneer High School PTSA  
Safe & Sober  
**Grad Night 2010**  
**Moonlight Cruise**

Class of 2010,

This is it -- your last year at Pioneer High School! You'll be leaving this school with memories that will last a life time. To add to those memories, the PTSA is sponsoring a fun-filled, drug and alcohol-free moonlight cruise on San Francisco Bay on graduation night. It will be the last time your class will celebrate together before you all move on to the next exciting chapter of your lives.

A coach bus will pick you up at Pioneer at 9:30 on graduation night and will drive you to San Francisco, where you will board the San Francisco Belle for a four-hour moonlight cruise of the bay. Enjoy a fantastic evening with your friends that includes:

- ◆ Live DJ
- ◆ Dancing
- ◆ Blackjack table
- ◆ Dinner and beverages
- ◆ Fun prizes

You will arrive back at Pioneer at 5:30 a.m. on Friday morning. Don't miss out on a final night of Mustang fun!

Please return your completed registration/release form, waiver, and check to the Grad Night Cruise box in the Student Services office.
